

## Information and updates from KE2 Therm Solutions

### New Literature Piece For KE2 Evap Targets End Users

An new promotional piece for the KE2 Evap was released in early February to help make approaching end user customers easier and more successful.

The A.1.64 is targeted at end users and has the cover headline of "Are walk-in freezers and coolers eating your lunch?" It is formatted as a 5-1/2" x 8-1/2" folder, with six inserts of varying heights. The inserts highlight some of the KE2 Evap's benefits as they relate to end user customers.

**Inserts focus on:**

- Improved product quality and consistency
- Typical energy savings
- Eliminating icing issues
- Remote monitoring and alarming
- Typical payback
- End user customers already using KE2 Therm

These can be utilized as a piece to leave with managers / owners any time you visit a restaurant, or have an occasion to provide a quick overview to a potential customer.

The piece is available from KE2 Therm, please contact your Regional Sales Engineer to order.
